The Secretary,

The Legal Remembrancer and

Law Department, Bangalore.

SIR,

I have the honour to state the Constituent Assembly of Mysore at its recent session held on 12th January 1950 have recommended that the Assembly be dissolved with effect from the 26th day of January 1950. A copy of the Resolution passed in this behalf has been sent to Government with this office letter No.C.A. 2025/49-50 dated 13th January 1950. At present a skeleton staff consisting of a few officials and menials are working in this office. The officials have been drafted from various offices and many of the menials have been entertained on a temporary basis. It would cause considerable inconvenience if this office should be wound up at the end of the month and it is felt that if this office is continued until the end of the month and for a day or two thereafter it would facilitate the sending of the Establishment Bill and disbursing of the pay of the officials and menials for this month. Thereafter the Cash Book could be closed, Imprest returned and the Office effectively would up. Moreover, the 26th, and 27th and 29th are General Holidays. In the circumstances it is requested that orders abolishing the several posts in this office and directing the reversion of the present staff to their respective offices may be passed so as to take effect from the 4th February on which date the officials will be relieved of their duties here.

Yours faithfully,

In connection with the winding up of the office of the Constituent Assembly, I have the honour to state that certain bills of members of the Constituent Assembly are still pending settlement and that orders of Government are also awaited in respect of certain other claims.
